Dear [Redacted]

25X1

This confirms our invitation to you to be the guest speaker at our Military Attache Training Course (MATCO) Graduation Dinner on Thursday, 31 July 1986

25X1

[Redacted]
The graduating class will consist of 26 military attaches. Topics of interest to the group would be: "The Intelligence Collection Role of the Attache," "The Attache's Role in the Country Team," or a similar topic germane to an attache. The MATCO, which is three weeks in duration, provides familiarization and practical experience in intelligence collection and reporting techniques which an attache could expect to meet in his field assignment. The familiarization will enable an attache to recognize sources for clandestine collection exploitation, and provide him with criteria for assessing and evaluating the susceptibility of those sources. The course is not intended to make the attache a case officer.

Sincerely,

25X1
